- ER visits resulting in admission to a critical care unit: 1.5 million

\* 2016 Center for Disease Control and Prevention.

## EXCLUSIONS AND LIMITATIONS

Benefits otherwise provided by this Policy will not be payable for services or expenses or any such Loss resulting from or in connection with:

- (1) sickness, illness or bodily infirmity;
- (2) suicide, attempted suicide or intentional self-inflicted Injury, whether sane or insane;
- (3) dental care or treatment due to accidental Injury to natural teeth;
- (4) war or any act of war (declared or undeclared) or participating in a riot or felony;
- (5) alcoholism or drug addiction;
- (6) travel or flight in any aircraft or device which can fly above the earth's surface in any capacity other than as a fare paying passenger on a regularly scheduled airline;
- (7) the Insured's commission or attempt to commit a felony or to which a contributing cause was the Insured being engaged in an illegal occupation;
- (8) the Insured Person being intoxicated or under the influence of any narcotic or controlled or uncontrolled substance unless administered on the advice of a Physician;
- (9) charges incurred outside the U.S. if an Insured traveled to the location for the purpose of receiving medical services, drugs or supplies;
- (10) hernia.

### Definition of Actual Charge

"Actual charges incurred" means the actual amount accepted by a healthcare provider as full satisfaction of the insured's obligations for treatment covered by the Policy; it does not include any amount which is not required to be paid by the insured or any other party on the insured's behalf to the provider of a treatment, service or other benefit covered by the Policy.

Benefits and availability may vary by state. For more information about policy/plan benefits and limitations, please refer to the outline of coverage or policy as approved in your state.
